Ice Hockey Club**

LICENCED TO THRILL

Providing opportunity to enjoy the world's fastest team sport

ABOUT US

We are Nottingham Ice Hockey Club.

Supporting aspiring players to realise their ice hockey potential. Affiliated to the English Ice Hockey Association, we have more than 30 trained coaches and 12 teams.

We are one of the largest amateur ice hockey clubs in the UK.

With teams from Under 9 through to men and women, we cater for a wide spectrum of players. Many of our age categories have dual teams accommodating differing playing standards.

Players from our Club have represented Great Britain, England and National League teams. And some, of course, make a career at the UK's highest professional level - the Elite League. University teams and recreational hockey are other common routes into adulthood.

We are proud to play our part in all of these pathways.

WHY CHOOSE NIHC

Our home is the National Ice Centre – a hub of ice sport excellence. Its facilities include two ice pads and in-house cafés with catering.

Backed up by the National Ice Centre's Hockey programmes, our young players receive high quality instruction before joining the Club.

With around 200 members, we are large enough to operate a diverse range of teams:

U9s, U11s, U13s, U15s, U18s, U20s

Our mens' and ladies' senior teams each play in the 2nd highest tiers of British ice hockey

Central to our player progression is a clear development plan, endorsed by the world's top ice hockey nations, and based on age-specific, long-term athlete development.

We are progressive and our Management Committee has goals to:

- Achieve Clubmark status – reflecting high standards of welfare, equity, coaching & management
- Be at the forefront of sporting governance through continuous improvement of communication with members, management of the club and its finances.

A robust system of child safeguarding measures exists minimising risks to young people.

A successful record of players progressing to: National and Elite League levels; and specialist hockey schooling

A passion to be the best we can!
